Our Administration

Dedication

MR. JOSEPH H. SMITH

The scholarly looking teacher above was born and spent his early years in the small town of Dallas, Oregon. From his teens he was active in Christian work and worship. His college training was interrupted by three years of service for Uncle Sam as a Navy medical corpsman.

Returning to civilian life he reentered school and graduated from Whittier College in 1950. A year of post-graduate work at Long Beach State College followed.

Since the Fall of 1951 he has been a familiar figure on Brethren High campus. He is known and loved for his wholehearted participation in all student activities. His ready smile and witty humor have kept student interest very keen in his classes of higher mathematics and laboratory science.

For his service to Brethren High and his evident devotion to our Lord, we, the Annual Staff, dedicate this 1954 Ambassador to Mr. Joe Smith.

Caught off guard.

School Board

(Seated) Mr. Clifford Yocky, Mr. Don Dyer (Secretary), Mr. Walter McPheeters, Mrs. Minnie Austin, Mrs. Floy Fisher.

(Standing) Mr. Charles Andrews, Mr. William Coon (President), Mr. Julius Levering.

Dr. Charles Mayes

It would be difficult to express our thanks to the School Board members for the many ways in which they have sought to expand and improve Brethren Schools. Every student has witnessed in some way the carrying out of their plans.

The boys have enjoyed having the new auto shop, showers and locker rooms. Also, the erection of the new elementary school in Los Altos will prove of value to many in years to come as it bears fruit for God.

Taking time out from their own business, they have willingly worked to serve Christ by reaching young people through Brethren Schools. Because of such willing work on our behalf, we, of the Brethren Schools, wish to thank each and every Board member in this way.

Administration

Bill Coon (*President*), Paul Ross (*Vice-President*),
Kay Cantrell (*Secretary*), Mr. Flory (*Principal*).

We wish to extend our thanks to Mr. Flory, our principal, for his advice and guidance in the past year. He is the Minister of Education, for the First Brethren Church and also the Superintendent of the entire Brethren school program. This includes responsibility for the Elementary School, at 60th and Orange, as well as the High School.

Mr. Flory is also faculty advisor of the Student council and in all matters of student activity. Under the able leadership of Mr. Flory, Brethren High is looking forward to many successful years.

Music

The music department of Brethren High School is growing more each year.

The instrumental segment of the music department is led by the orchestra. The orchestra has contributed its talent in the past year, by playing for the Annual Christmas Program, the Spring Festival, and graduation exercises.

The vocal segment of the music department, includes four groups: The glee club, the male quartet, the girls ninette, and the girls trio. There are 40 voices included in these groups.

In the fall of the year, the glee club was striving to prepare for the Christmas Program. During the winter, they looked forward to the Spring Festivals, which were well presented.

The glee club and the orchestra, both under the direction of Miss Beverly Gower, have been of service to our Lord, through their ministry in song in the past year of 1954.

(Standing) Arleen Crawford, Sandra Talbott, Sally Sadler, Winkie Sadler, Maureen Butterfield, Janice Kirk, Claudia Rundall, Deanna Toppin, Coach Harmonson.

This year the G.A.A. (Girls' Athletic Association) competed against Cutler Academy, Pasadena Academy and Bellflower Christian High. The girls played basketball, volleyball, and softball.

We had an average season in basketball. In volleyball, we tied for first place, but lost the playoff 21 to 18. At the time the annual went to press we were at the beginning of an apparently successful softball season.

Willina Coon jumps for the ball against Cutler Academy.

Brethren Elementary School

The Brethren Elementary School at 60th and Orange in North Long Beach is in its seventh year. It has grown rapidly over this time.

Miss Mary Mulloy, the Principal, heads the fine staff of teachers as they seek to teach the truth of the Scriptures as well as such facts as two and two making four.

Next Fall another Elementary School is to be opened in Los Altos. This is necessary because the present building is filled to capacity and students must be turned away.

The opposite page shows the Elementary School Staff for this year.

June 15, 1954.

Dear Arthur,

Gee whiz, as I think back over this
year and all the years I've known you, all
the happy, (and some are even sad) memories
it's just as if they happened yesterday. I don't
suppose either of us will ^{ever} forget "that night,"
or the C.E. meetings or sings we've gone to.

I even had fun in the short
time we went "steady." We really were a
fine pair!! Both of us more or less (mostly
more) dumb.

I'm never going to forget your promise
to me either. Remember? A ride in that car of
yours, (when and if you get it.)

Even through it all I'll never
forget my "big handsome" brother.

Lovingly,
-Mary Lymne.

Best wishes
for a successful
future.
